Hillside Terrace
SENIOR LIVING

Well, it is now the fourth year in a row I have started the new year off talking about our Memory Care. But this year we are so excited to say we have just successfully finished our first quarter in our new Memory Care Community! We only have a few apartments open to fill, if you know of any one in need of memory care, please contact Trey!

We are now fully in the winter season, and we have already had a lot of people in our community falling ill. If you did not get your flu shot here in September, we highly recommend going to your local pharmacy or doctor's office to get vaccinated. If you are having any COVID, flu or respiratory symptoms, please ask to see one of our nurses right away, help us keep Hillside healthy!

**We wish each and every one of you a joyful and healthy 2025!
Happy New Year!**
